PROUD STUDENTS PRESENT '71 YEARBOOK

THE '71 CARDINAL ARRIVES - Many hours of work were revealed in those pages - pages that were filled with memories, not only for the '71 Cardinal Staff, but also for their advisor, Mrs. J. C. Carlow. Through eight years she directed the MHS Annual Staff.

We, the Cardinal Staff of '72 not only wish to recognize, but also to thank Mrs. Carlow for her many contributions to the MHS Cardinal Yearbook.

NOW PERFORMING - Indeed talent is a factor but hard work is what makes the Cardinal band great. The band, under the direction of Mr. E. F. Burgess, dedicated their 1971 Spring Concert to Mrs. Chance and Mr. Cooley - a small thank you to them for helping make the band a success.

SOAKIN' UP THE SUN - David Wilson and Neil Minton enjoy a summer afternoon at Crystal Springs.

STUDENTS ABANDON SCHOOL FOR THREE MONTHS

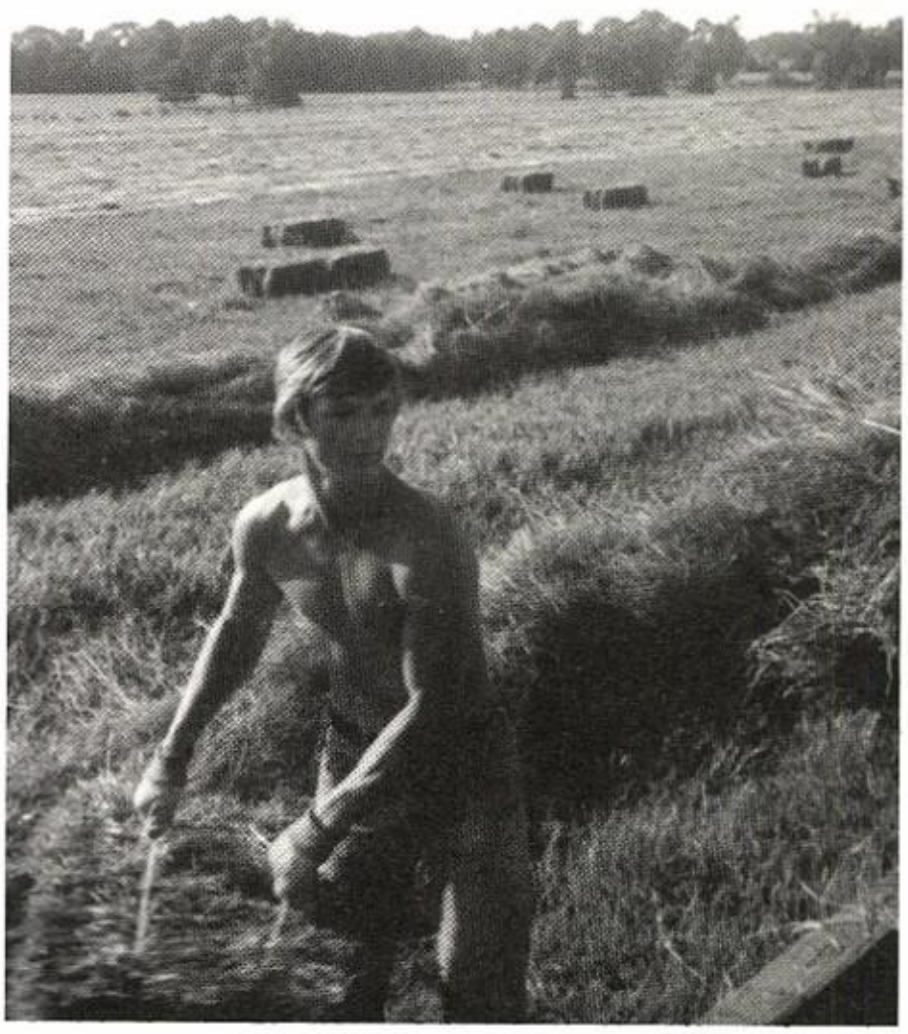
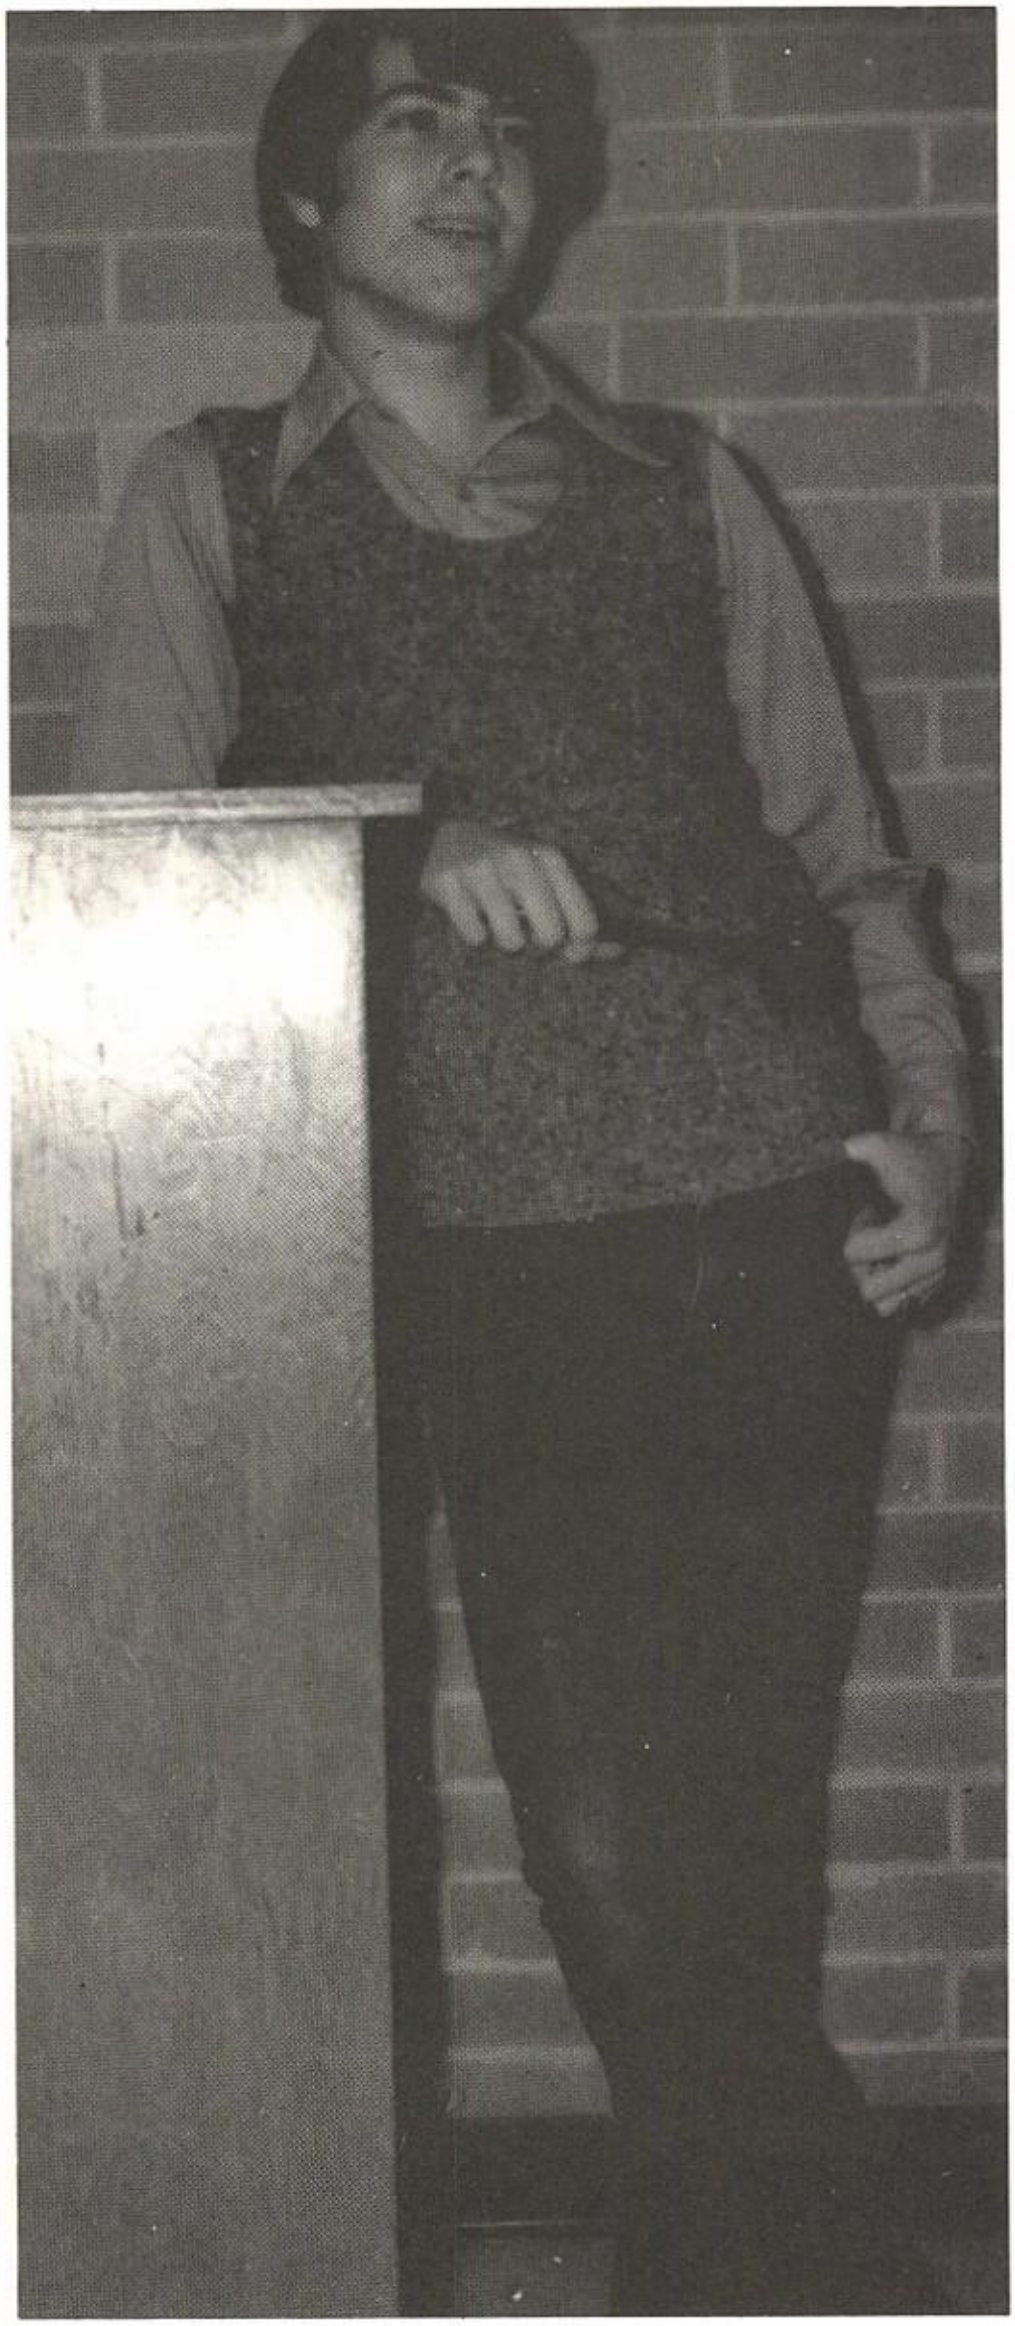
SACKIN' IT UP - Some of the duties of Rod Burgess's summer job are sacking groceries and stacking shelves.

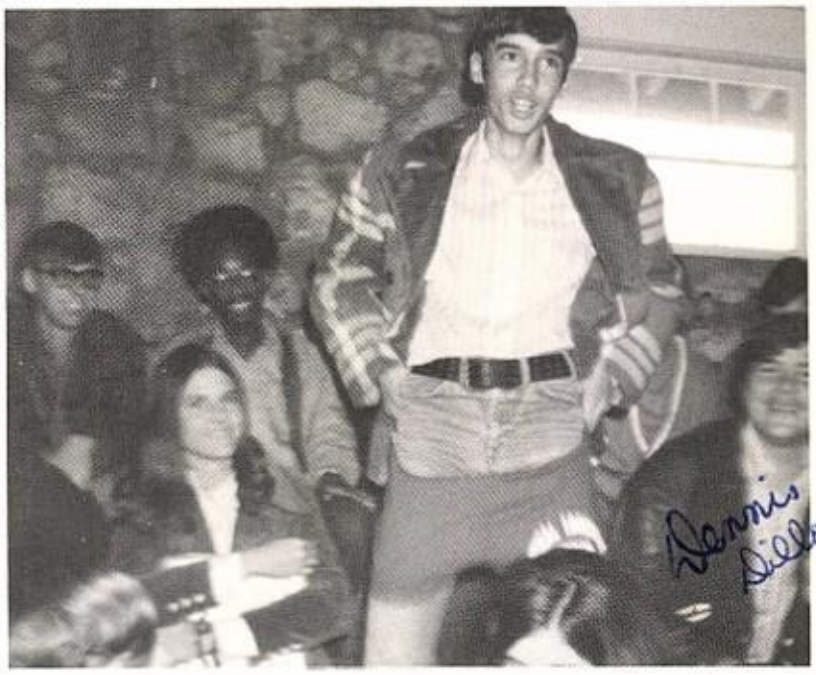


HARD WORK AND SWEAT - Jimmy Black finds that hay hauling on a summer afternoon is neither fun nor relaxing.

STUDENT COUNCIL IN FIRST YEAR



EXECUTIVE - Neil Minton was elected by the student body as the first MHS Student Council President.



SHOWING OUT - Council members attract attention at pep rallies.

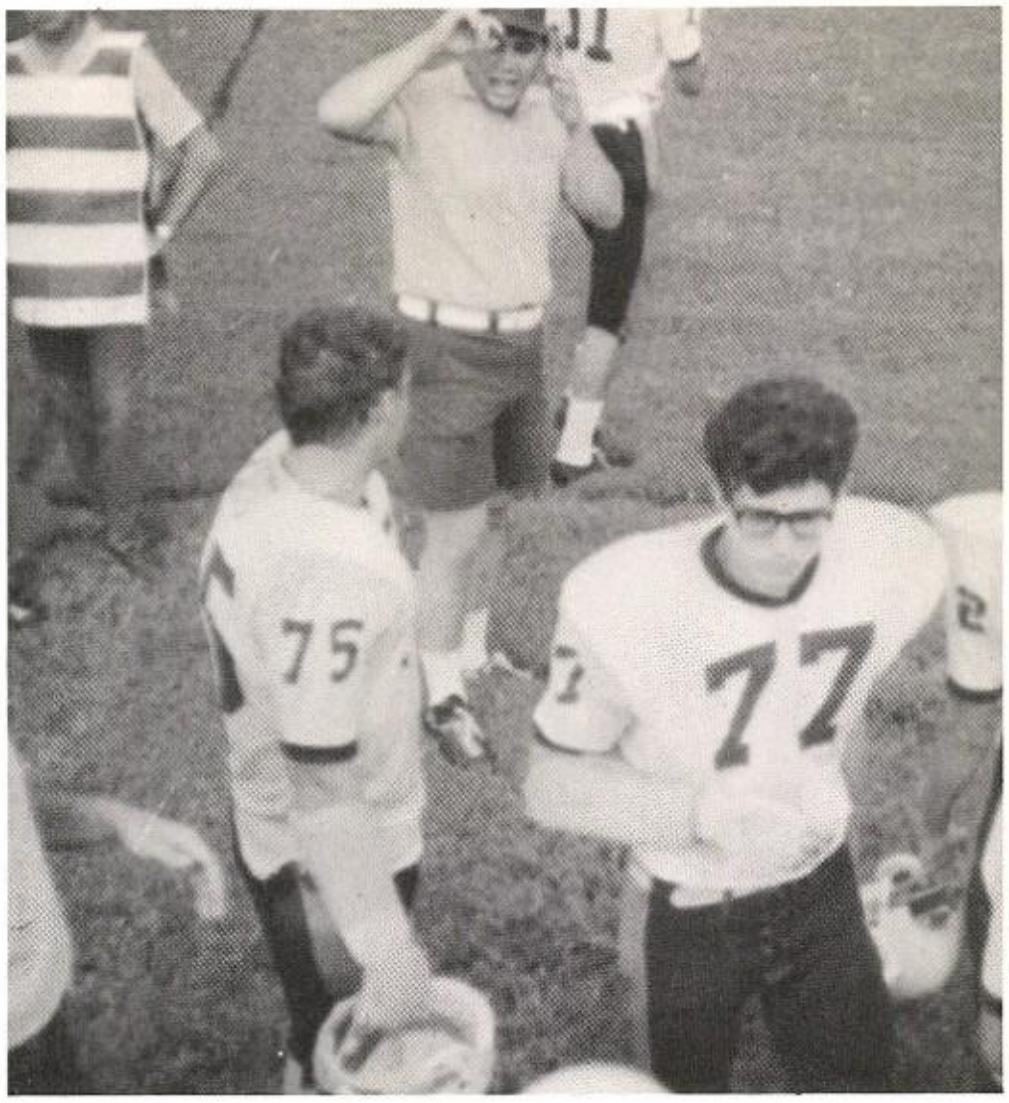
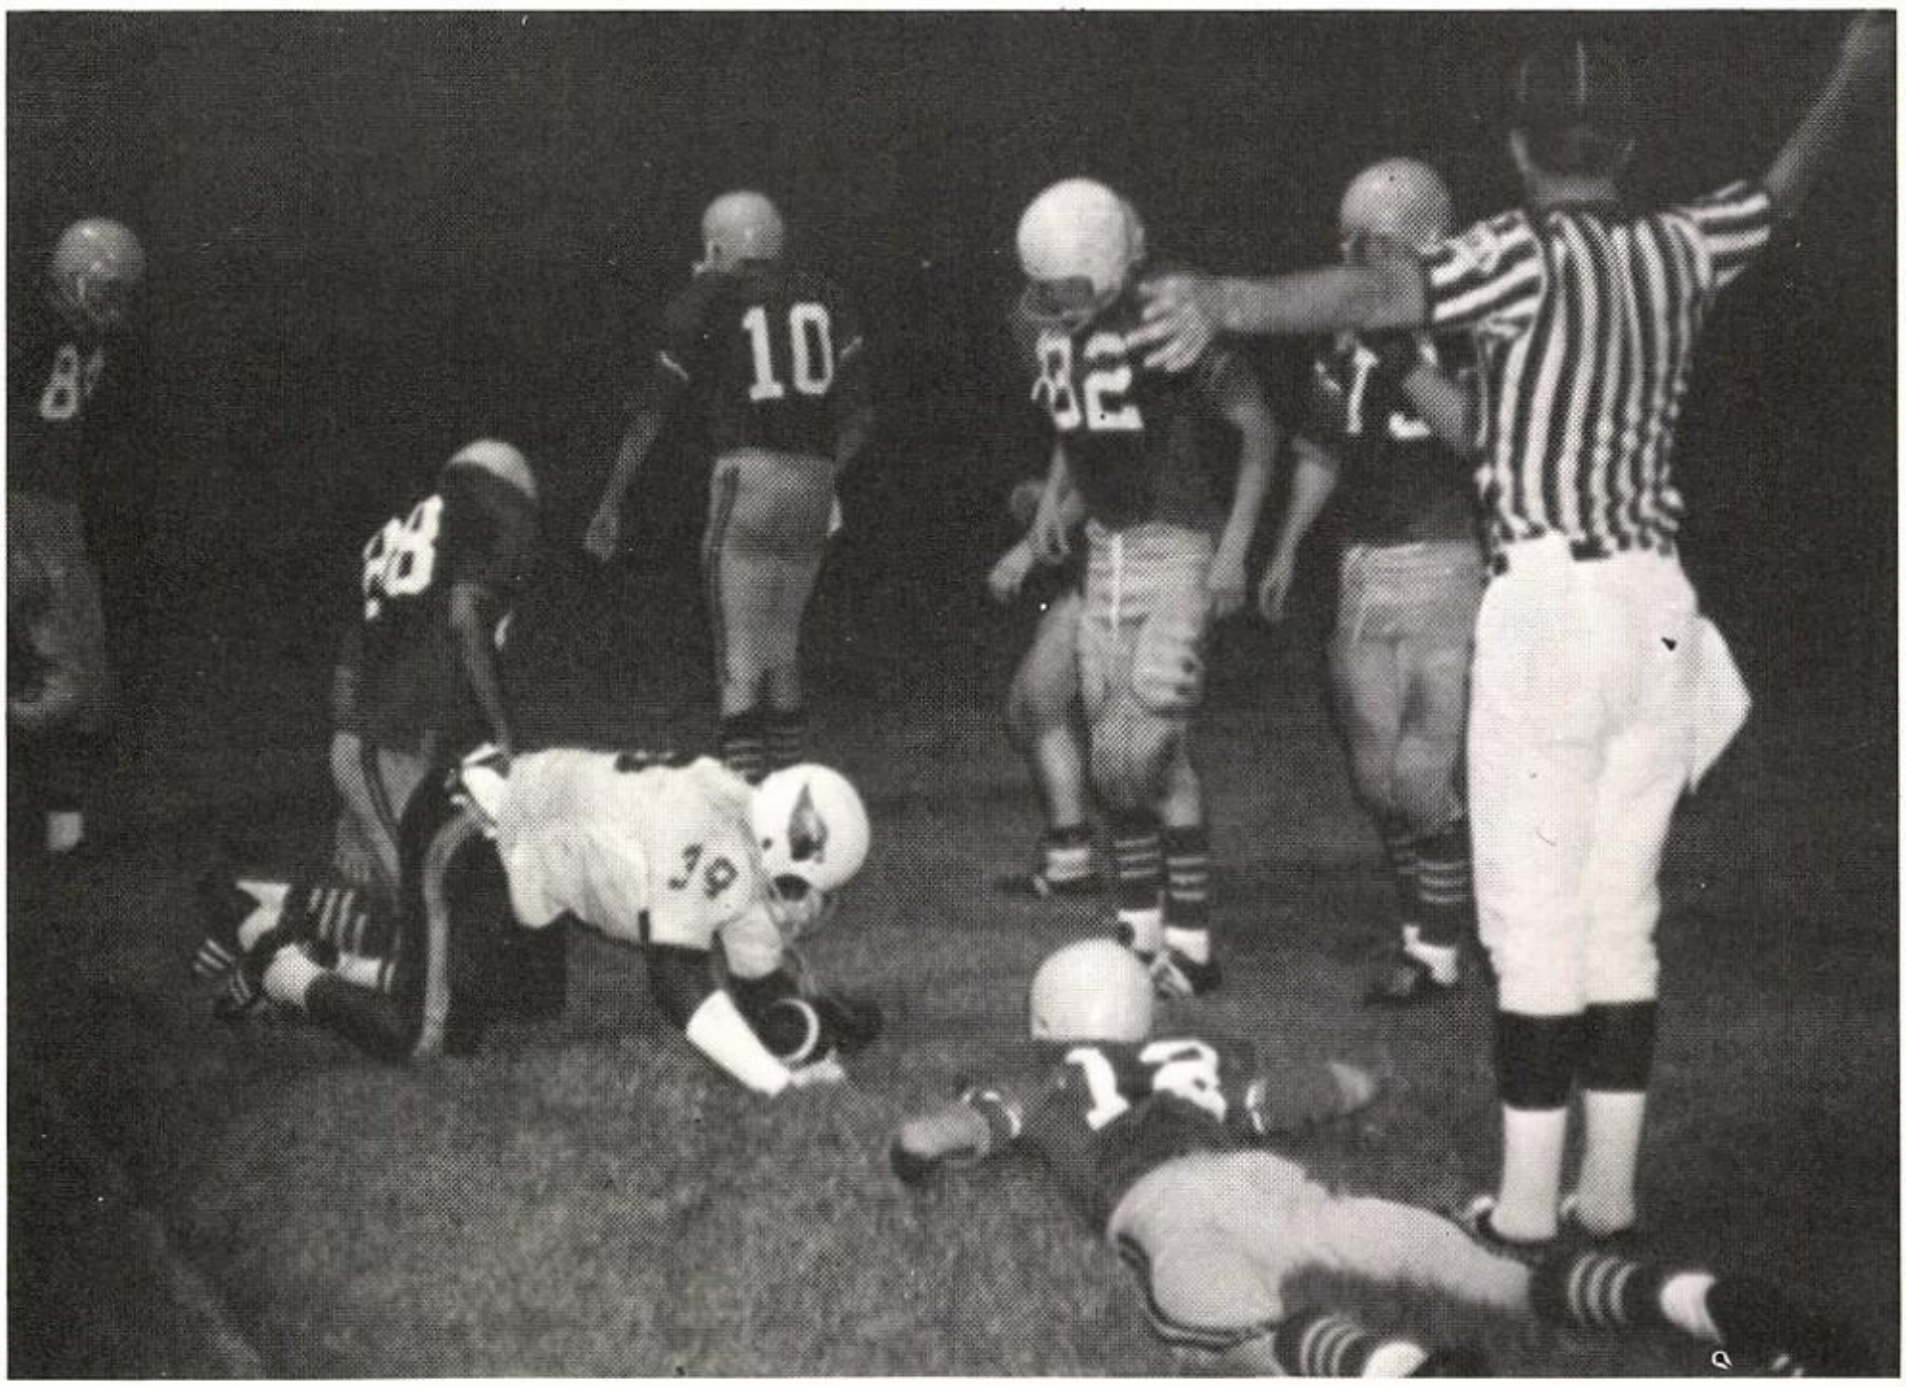
SPORTS

CARDS CLAIM DISTRICT

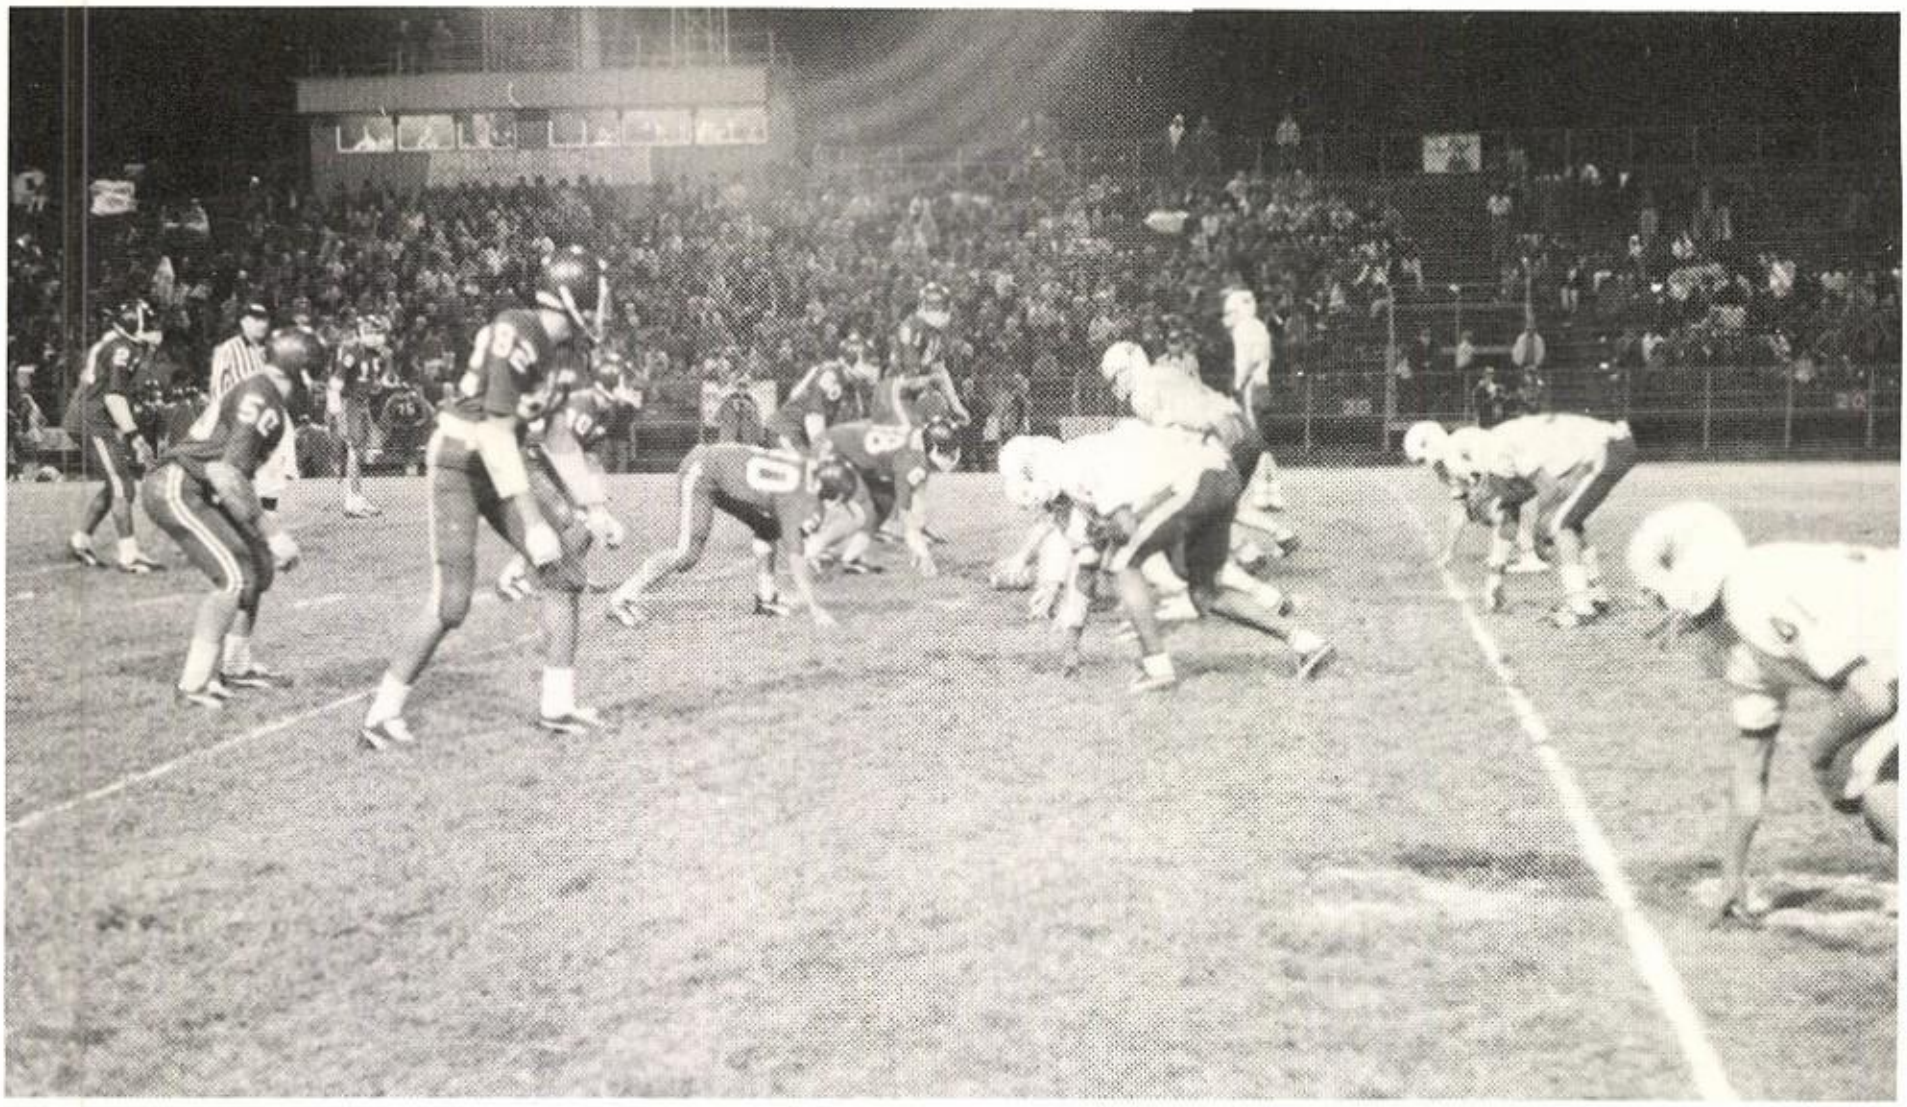
"It matters not if you win or lose, but how you play the game."

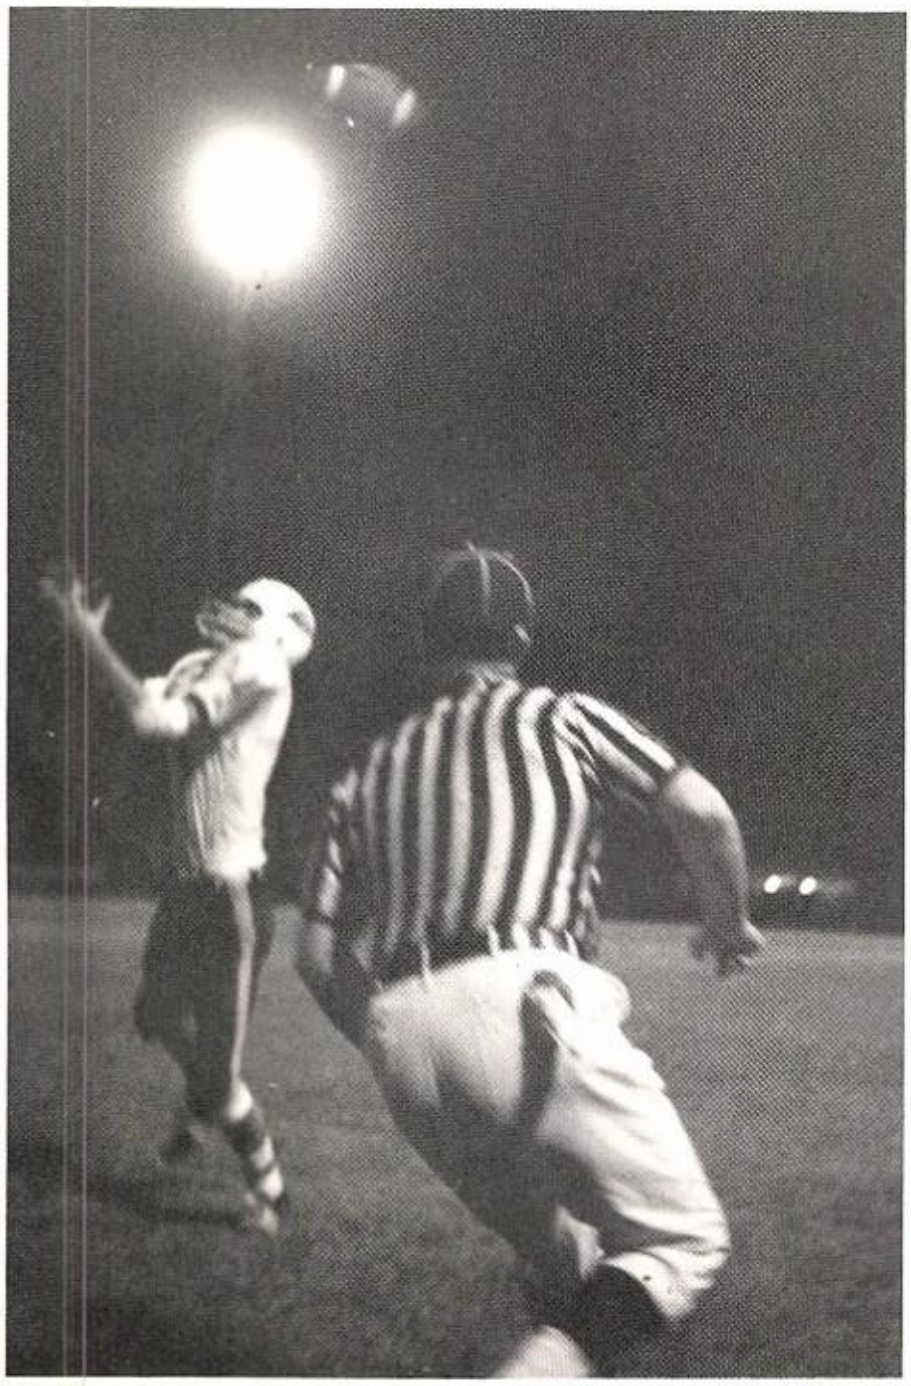
In 1972, the Cardinals played the game well and victory was theirs.





TITLE IN SECOND YEAR





RIVERCREST 27 - 8 - A first game defeat by a AA team was disappointing, but not demoralizing to the Cardinal team.

WASKOM 14 - 27 - The Cards battled back after the Wildcats scored on the kickoff to win their first game.

COMO-PICTON 0 - 20 - Superb rushing plus solid line defense gave the Cards an easy victory for their first district game.

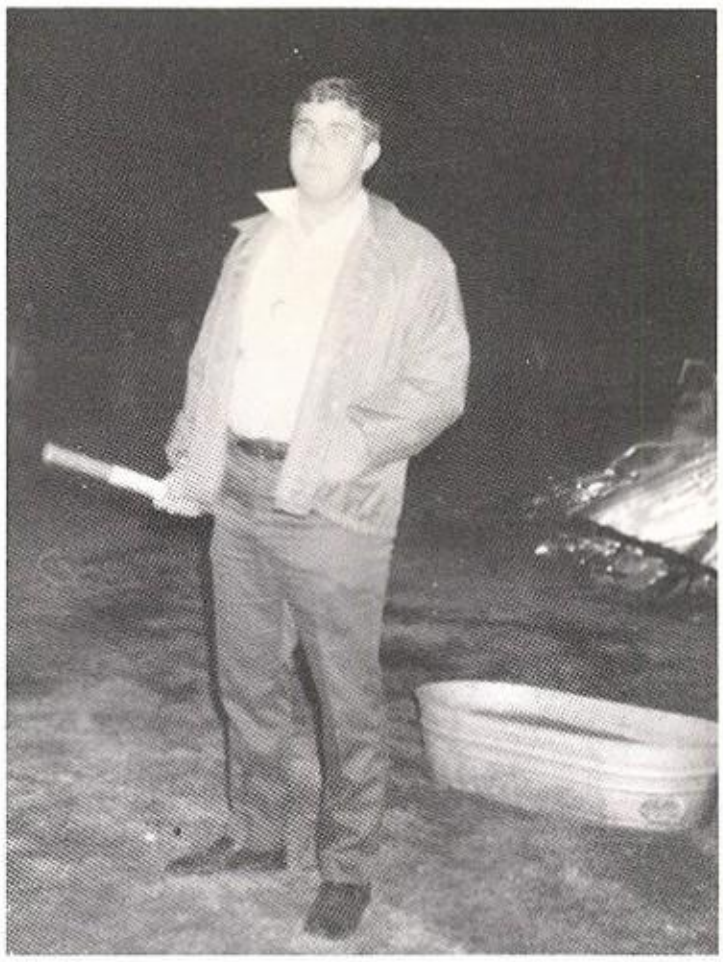
JAMES BOWIE 0 - 56 - The tough Cardinal defense posted their second shut-out as the offense rolled again.

HARLETON 6 - 56 - It took a hard-fought battle to pick up the third straight Cardinal district win. After a near break-down early in the game, the defense gained momentum to stop the Wildcats cold the second half.

FOUKE 6 - 67 - The Cards offense exploded this week to blow the Panthers out of the stadium.

CARDINALS ROLL ON UNDEFEATED IN DISTRICT PLAY

HUDDLE - The team gets last minute instructions before they face their opponent.



BONFIRE - Coach Dittrich speaks to team and fans at pep rally.

ARKANSAS HIGH "B" TEAM 18 - 33 - The Cards won a hard-fought battle for their sixth straight win. The offense played a near perfect game against a much heavier defense.

ORE CITY 6 - 40 - The Cards clinched their first district title as they defeated the Rebels. The defense played another great game by allowing only one touchdown in the fourth quarter.

QUEEN CITY 20 - 20 - The 17-A District winners played an exciting see-saw game on the Bulldogs' home turf. Neither hard-hitting team could completely contain the other.

KERENS 34 - 0 - A truly great season for the Cardinals came to an end. The Bobcats' defense shut down the Cards' offense and kept it from rolling over another opponent. The 1972 Cardinals will be long remembered as Maud's first district champion football team.

CURRICULUM

PROGRESS IS MAIN CONCERN OF ADMINISTRATIO

MR. F. E. COOLEY, SUPERINTENDENT

Mr. Floyd Estes Cooley, a 1924 graduate of Texas High School, in Texarkana, went on to achieve his Bachelor of Arts Degree at East Texas State University and his Master of Arts Degree at the University of Texas.

Mr. Cooley's career at Maud began in 1926. In 1928, he became Superintendent of MHS. Coaching was one of his duties as he directed the Cardinal team from 1926 until 1940. In December of 1941, he entered military service as a radar instructor and served until November, 1945.

Mr. Cooley then returned to Maud. During the time that he has served in the Maud School System, he has achieved many honors. He has served as president of the Bowie County Unit, T. S. T. A. and president of the local Lion's Club.

Mr. Cooley has been awarded the Outstanding Citizenship Award three times, once by the VFW in 1956 and twice by the Maud Lion's Club in 1956 and in 1958. He was the Director both of the Maud Housing Authority and of the Maud Community Welfare. He is a member of the Executive Board of the Office of Economic Opportunity and an honorary member of the State Future Homemakers of America.

Mr. Cooley has served the community for 46 years. He has always displayed a keen interest in its development and in its people. Though the school has been his pet project, to him a progressive community and a good school were complementary; so to both he has devoted hours of unflagging time and energy.

With the end of the 1972 school year, Mr. Cooley will complete his many years of administrative service. He will leave with the community a rich heritage of a proud school. Though he relinquishes the reins of school administration, the community itself will never relinquish Mr. Cooley.

Leslie,
It's been a wonderful
year having you and
a classmate. Like I
told Lauren, we've had it
rough in Chemistry - but
maybe we'll make it.
I admire your outstanding
personality and bundle
you're a whiz. You've
got it made if you
don't let some of the
people around here
run you down. A
friend indeed - you are.

Leslie,

I'm going to write alot so people can really see the. "love" we share. cooo cooo I wish that the world could be open-minded enough to accept us dating ^ Oh well maybe someday it will. It's a shame when people date someone and have to sneak to do it. You really have alot of assets. You always seem peppy and spirited and that is something that is hard to do when attending MHS. You are friendly to nearly everyone and don't show too many prejudices, and that is a gynastic characteristic especially in today's so-called society. I would say you are perfect, but no one is perfect, but Phred. Hope we can remain as close next year as we have in the past, since you ~~[illegible]~~ came down here from THS. Good luck and stand your place

Love,
Laurie

Leslie,

I have really enjoyed History class! H A
I don't know why she catches me, every day.
We sure had fun at camp, especially when we got caught in your & Robs room. I think you are a great traveler. Just keep practicing.
I hope we will always be friends.

Love,
Donna

Leslie
Even though I'm sick of signing annuals I'll make an exception. you're a great traveler & I guess you always will be. Good luck in the future
PEACE -

Leslie & I really don't know what to say except I had a lot of fun & I hope we can be friends & keep in touch & I hope you become a reporter & report news & not lies & I hope you have a good luck. miss you a lot. Love ya Leslie. Don't let the people around you get you down & stay high & keep your head up.

Leslie,
I really don't have much to say except that I think you are sweet (crazy but sweet) Keep kool

Lardsle,

As the immortal "Jerry" would say, "Gosh, this lyear lyear has really been a hunkey dorey experience." I really enjoyed camp + T.C. Superstar. We really had a blast + a half at camp. I imagine they will be glad that we are not going to be back together again. Becareful cause Ron Bacardi is just around the corner.

Rod
Sr. '72

Leslie,

Boy, do I ever remember camp. That was really something. I guess you will just have to manage next year without me because I'm certainly NOT going back. Keep up the good work in everything, you're got a lot going for you.

Belinda
Sr. 72

Leslie

I think you are one of the nicest and most intelligent young men I have ever known. I really admire you a lot. I really enjoy going to school with you and having you as a friend. I hope that we will always remain friends. American History class just wouldn't be a class without you. I wish you the best of luck in the future years to come with your main squeeze whomever she may be.

Love ya!

What on earth would
Camp have been, with
you and your crazi-
ness. That was
a lot of fun. You were
so funny in the
mornings, but I
guess we all looked
pretty funny. Have
you noticed Sharon's
been hiccuping in
study hall lately.
I must be cured.
Good luck as a
Sr. at good ole
MHS next year.
Believe me its
fun even though
you are under strict
rules. (little corny
humor)

Leslie, We sure have had one more year at good old MHS one or not. You do keep your sense of humor. Just --- write on us anymore, you're a good egg. But, I'm glad I've had you as a friend. Best of luck in the future years to come.

Love,
Linda

Leslie,
I don't really know what to say except your a good twirler and I like you a lot. I didn't like you during football season because you were all ways teasing me, but most of that passed over. Good luck in the future.

Love,
Carol

I have really enjoy going to school with you even if we do have our upsand downs. But I know that won't end our friendship. Well all I can say is I wish you all the happiness in the world because I think you deserve it. When you found your main thang I want you to tell me all about her Ok. Good Luck

Leslie, you are the best friends a girl could have. You have helped me through a lot of hard times in history and I have appreciated that. You have been a big help to me in the intelligence to go for it in life. Stay the way you are and you will go far.

You are a very nice person. Best of luck to you. I'm gonna miss you and some of your classmates. I hope you enjoy your Sr. year. It really is great knowing I won't be here. I am glad I tried this. Good luck.

Leslie,
You are a very different type of person
